Dear Parents / Carers,

Re: Cooking Money

During the year the children will participate in many topics that require investigations and observations. We would like the children to cook regularly because it is an excellent and fun way for them to engage in mathematical, scientific and creative activities.

For this we charge £3 per child per term, a total of £9 for the school year.

Please hand this money (in a sealed envelope with your child's name and class clearly written on the front) to your child's class teacher.

Thank you in advance,

Ms N Sutherland

Ms P Galeri

Ms J Morris
