Dear Parents/Carers,

Re: Mud kitchen

In the Early Years we are working hard to develop new opportunities for learning in our outdoor areas. Our next step is to create mud kitchens in the Nursery and Reception playgrounds.

Mud kitchens provide excellent opportunities for children to develop creative expression and imaginative skills. Mud can become anything!

They also provide problem solving opportunities e.g. how to make mud soup thin or thick? How to make mud meatballs stick together?

Mud kitchens encourage cooperative play possibilities e.g. let's cook dinner, let's open a restaurant, let's feed the baby, you be the baby.

We would welcome donations of the following;

- Pots
- Pans
- Plastic cups
- Plastic plates
- Wooden spoons
- Metal spoons
- Whisks
- Bowls (large & small)
- Baking trays
- Cake trays

We look forward to seeing the children learning through play in the mud kitchens.

Many Thanks,

N. Sutherland
